ShiftXchange 2024:

A Practice-Based Approach to Rethinking Leadership in the Digital Era

STADIO Higher Education, South Africa; Middlesex University, Mauritius; and Business Mauritius are jointly hosting an inaugural conference. The conference will focus on sharing experience, challenges encountered, and good practices, underpinned by the need for collaborative solutions in a world that continues to refine and redefine itself in the digital era. The organisers invite contributions from academics, educators and researchers, business professionals and practitioners, innovators, leaders, and organisations that have experience and praxis to contribute.

Dates and venue:	28 – 30 August 2024, Mauritius
Presentations:	In-person
Attendance:	In-person or online
Abstract submission due date:	30 April 2024 (submit on conference webpage)
Abstract feedback:	30 May 2024
Submission of full articles:	30 September 2024 (Peer-reviewed articles will be published)

Conference focus areas for parallel session presentations:

- **Ethics and Sustainable Leadership**
- **Leading the Financial Sector in the Digital Era**
- **Tech in Business – Risks and Opportunities**
- **Corporate and Social Responsibility and Global Citizenship**
- **Dealing with Corruption – Challenges and Leading Practices**
- **Technology and the Changing World-of-Work**
- **Micro-credentials and the World-of-Work**
- **Using Avatars and AI to Promote Learning and Teaching**
- **AI and Digital Technology – Sharing Good Practices**
